Where have the last 6 months gone?!

So guys, we're 6 months old, not quite teething but all our toys are still in the pram!! What's happened thus-far - just as a reminder:

- We've been meeting monthly each last Thursday at No 72 North Street in the upstairs room and done a bit of praying, singing praising and fellowshiping in the Lord.
- Great afternoon – **"Live On Market Hill"** for getting involved. Our 1st time out of the nursery resplendent in our new MICS polos. Distribution of Yorkies and "The SON" newspaper. Thanks to St Andrews for use of their B.B.Qs
- Then came Belle Vue Park's bash to celebrate 2000 years of Sudbury inception. The town council asked us to provide micspower and burgers for the Barbie. MICS and Town Pastors working together. Personally I haven't touched a burger since- the smoke's still in my eyes !!
- Did some posting to help Springlands distribute handbills up on 1st and 2nd avenues.
- Our second outing was to help St Andrew's with their fun day and duck race on the meadows. What, not more burgers to B.B.Q !! I must admit that I did an early exit stage left once the B.B.Qs were fired up and I was kipped (and spoken with the Mayor Adrian of course).
- **September** saw the introduction of another Thursday meeting - for prayer at No 5 Theobald's Close which is going great - **praise the Lord!**

What's happening next?

Things to come and now off the back burner:

Helping with the Samaritans purse project at number 72.

- ❖ Hot chestnuts and punch at the Christmas lights event on 27th November. Also we hope to survey the some of the folk who attending on what they think that Christmas is all about.
- ❖ Assisting Springlands outreach in their residential area by posting Christmas Cards. And no, that's not strike breaking !!
- ❖ Are you ready to get involved with Town Pastors? They'll sure need help over the Christmas period.
- ❖ We are sourcing for MICS logos for winter wear and also hope to publish a "good MICS guide" for better communications between brothers.
- ❖ 4 of us went to the Chelmsford Baptist Church to see how we can outreach to estranged men who need support as absent fathers or going through a life crisis.

Any thoughts and reflections so far? Don't keep it to yourself. Let the editor know for the next MICS issue.
