

The Noise: Project/Person/Place Nomination Form

Where can we help (projects must be in Great Cornard, and the closer to Great Cornard Upper School the better)?

When can we help (Day/Time - has to be at some point between 29th -31st May)?

What can we do to help (e.g. litter picking, cleaning, painting, gardening, etc)?

What **equipment/resources** would be needed to do the project?

What **equipment/resources do you already have** that we could use for this project?

Who is going to benefit?

Why is this project needed?
