

How well do YOU know your partner?

Perfectly? Intimately? Lovingly? Of course you do.

But how about the bits that are difficult to talk about?

The Sudbury churches have a team of practitioners who have been trained to deliver the PREPARE-ENRICH package, to help YOU help your marriage last for ever. It's simple:-

1. Both you and your partner fill in a carefully detailed multiple-choice questionnaire. Nobody sees your answers - not your partner – the practitioner - the minister – not anybody.
2. Both questionnaires are sent to the Prepare-Enrich computer (more than a million couples worldwide have completed this process).
3. The computer compares your responses – and provides a little feedback. NOT a mark out of ten – but a little guidance based on your strengths as a couple. This ALWAYS provides some very helpful insights.
4. One of our team of practitioners will take you through the feedback, and give you as much or little of their time as you feel you need. We cannot guarantee success in this most personal of human relationships, but we can promise that you can learn more about yourself, your partner, and your relationship. We can promise that you will become more aware of the strengths of your relationship and of any areas where growth may still be needed.

The scheme is designed to suit all different circumstances...

We have found that Prepare-Enrich works for all sorts of couples. It is NOT a chance for anyone to preach at you - only for you to reflect a little on your relationship.

We can help: premarital couples... couples living together (cohabiting) with or without children... couples in mid-life.... new marriages which include step-children... couples who have been married for some time.... and YOU!

Interested?

Some Sudbury churches include this scheme as part of their wedding package. For others, there is a small one-off fee (which we pass on to Prepare-Enrich), of £25. There is no charge for the practitioner's time or input. We are committed to supporting you as a couple, just because we passionately believe in the goodness of marriage. Our team offers you ongoing access to marriage guidance counselling, and simply "someone to turn to". For more information please call (01787) 374289 and ask for Chris or 372346 and ask for Tim. We'll be praying for you, too.
