### ***What does the church have to offer us?***

St Andrew's is a beautiful village church with a modern organ and seating for up to 250 people. We have an attractive churchyard and a stunning church building, where generations of couples have stood at the heart of their community and made their vows to one-another. For music, we have a good sound system with CD player; a ramp for wheelchair access, and a hearing-aid loop system. We look forward to making you very welcome.

### ***How much will it cost to get married there?***

£382.50 for a wedding service and £357 for a wedding blessing after a civil ceremony. This includes all church fees plus the options of an organist for hymns and entry/exit music; a vergers to prepare the church and welcome you; and also having the bells rung as you leave.

### ***What are the requirements or expectations for couples?***

You need to have what is called a qualifying connection. It is normally necessary for at least one of you to live in Great Cornard, or to have a family link to the parish in order for you to marry here but there are other exceptions. Great Cornard includes Upper Tye, Joes Road, Kings Hill, Betty Cocker Grove, and the side of Cat's Lane nearest Cornard.

### ***Other helpful information about the church.***

If you are a divorcee looking to remarry, do contact the minister - we approach every case individually, and will help you if we can. We are also able to offer a service of blessing following a civil ceremony (if, for example, you have been married abroad, or at a civic venue). For more details check out [www.yourchurchwedding.org](http://www.yourchurchwedding.org) which includes all the information you need to know about this OR phone the minister.
