What does the church have to offer us?

Christ Church is a large town centre church that has simple internal features but which can easily seat up to 300 people thanks to its balcony. The side aisles and multiple hardwood pews are ideal for decoration with flowers. There is a superb Connica organ, and one of a range of proficient local organists may be engaged to enhance the ceremony. We have a substantial hall, side room, and kitchen facilities, which may be suitable for your reception. The building has disabled access, and a loop system for the hard of hearing.

How much will it cost to get married there?

£293 covers the church costs, including the minister's fee, stewarding, heating and lighting. The organist's fee will be approx £65.00, plus 50% if a video is used. Receptions are charged at an hourly rate and 50% of the total cost of all church/reception facilities will be required when booking.

What are the requirements or expectations for couples?

There are no residency requirements. Couples do not have to be members of the church but should be comfortable with a Christian ethos. Divorcees are welcome. We can offer a service of blessing for those who have been married in civil ceremony, or overseas.

Other helpful information about the church.

The minister will meet with you several times before your "big day". This will be an opportunity for you to discuss marriage, plan the ceremony and visit the church. Couples will be made very welcome if they attend any service at Christ Church URC prior to their wedding.
