### ***What does the church have to offer us?***

The Salvation Army church in Sudbury has a very modern frontage, which leads to our main worship hall which is somewhat older, but is very pleasantly laid out creating a warm atmosphere and is ideal for those not wanting the grandeur of traditional church buildings. Our church normally seats 80 people for a wedding, but by changing the layout and making use of the balcony can accommodate up to 150 people.

### ***How much will it cost to get married there?***

The basic cost of a wedding is £100 including church fees (including heating if required), ministers fees and music from a CD/Tape and with pianist accompaniment for hymns. This may be reduced for those on low incomes – please speak to the ministers.

### ***What else can the church provide for couples?***

If you would like to have an organist to play for your music then this can be arranged for an additional fee (which goes to the organist), and we can also arrange a brass quartet if desired for accompanying the singing of hymns. Please contact us for more information. The videoing of your wedding service is welcomed but does incur an additional charge dependant on the current copyright fees – please contact us for more details. For an additional fee of £80, we also have a fully equipped kitchen and separate area for a small reception but you should note that no alcoholic drinks are allowed on the premises.

### ***What are the requirements or expectations for couples?***

There are no residency requirements. Couples do not have to be members of the church although they should be comfortable with the Christian Ethos of the service. Couples will be made very welcome if they choose to attend any of our services before their wedding, but it should be noted that attendance at one of our services is required for the three Sundays preceding the wedding. If you are a divorcee looking to remarry, do contact the ministers as we approach every case individually. We can also arrange a blessing of a civil or overseas marriage.

### ***Other helpful information about the church.***

The ministers will meet with you several times before your special day and this will be an opportunity for you to look around our church, plan the ceremony and discuss your forthcoming marriage with them. We are relatively close to both Friars Meadow and The Croft for photographs of your special day.
