### ***What does the church have to offer us?***

Beautiful historic building in a glorious setting overlooking the Croft. The church has hosted marriage services for centuries. The churchyard offers an excellent setting for photographs. The church can seat over 200 people. Pipe organ, choir and bells all available, and there is a new sound system (including hearing loop) through which music can be played as well. Easy disabled access (no entrance steps). All couples are welcomed.

### ***How much will it cost to get married there?***

The cost will be between £400 and £850 depending on whether you would like an organist, choir and bells and for the church to provide some flowers.

### ***What are the requirements or expectations for couples?***

At least one of the couple must have a "qualifying connection" with the church. This will include living or having lived in the Parish, or one of the couple or their parents having been baptised or married in the church. Contact one of the ministers for details. If you are a divorcee please also contact one of the ministers as you will almost certainly be able to marry at St Gregory's.

### ***Other helpful information about the church.***

The minister will meet with each couple on several occasions to plan and prepare for the wedding. There will also be a rehearsal near to the day.

~ A Marriage Booklet is available on the church's website: [www.stgregorychurchsudbury.co.uk](http://www.stgregorychurchsudbury.co.uk) - or please contact the minister ~
