Up from the grave He arose
With a mighty triumph o'er His foes
“He is risen – He is not here!”*

- Sunday** **EASTER SUNDAY** Wherever Christ is praised today – all round the world – individually – in secret – in great gatherings – with tears – with hope – by whomever and in whatever mood. May Jesus Christ be thanked for His Unspeakable Gift of Love for us.
- Monday** **EASTER WEEK: Lord bless our families. Will you be in every home, every outing, through all fun and games and especially in any place of misery. Touch our family life today with Your Great Compassion and Love. Help us to love our family as You love us.**
- Tuesday** **“Bring your tithes into the storehouse and see ...”** You call us Lord to be good stewards. Is the part I keep for myself more important than what I pass on to You to use for others in need? I fear it is, so help me give generously which will please Your heart and not count the cost
- Wednesday** **“Pray for those in authority over you...”** Lord our Government and all those who administer power over us are still only men and women almost as limited as us! So they too need all the help You can give them. Please touch all with the gift of knowledge of Your Pure Will.
- Thursday** **“Go into all the world...”** we can't all travel far but we can take the message daily, hourly, minute by minute. Praising God in all things influences everything we do or say. Thus we can “go” in His Name too.
- Friday** **Love your neighbour as yourself...** that is one tall order! I am very precious to myself and I'll do anything to protect myself. Do you really want me to treat my neighbour in the same way Lord? Then You must train and equip me and help me to recognise every single opportunity
