**There my burdened soul found liberty  
 at Calvary**

- Sunday**     **All Churches and especially Stour Valley Vineyard.** We ask for this vibrant fellowship that they too will know the strength of the support of all the other churches alongside them. Give them the joy of knowing how God works together for good – with people as well as difficulties.
- Monday**     **Schools – St Joseph’s** These students will grow up with a positive knowledge of God. May they not lose it as their lives open out to new experiences. May all they are taught stay with them and bless them for whatever role they will play in future years. Touch their hearts Lord
- Tuesday**     **Charities - Stevenson Centre** has served Gt Cornard well in the past and as a result of ‘planning, good financial management, vision and plain hard work’ they have undergone renovation and have even more to offer. May it continue to be well used and proudly appreciated
- Wednesday**     **Civic –** a possible hotel to be built on Belle Vue is still under discussion. The for & againsts are numerous & well publicised. The resultant traffic problems also constantly voiced. Our lovely old market town can so easily be ruined. Again we cry out for Your wisdom
- Thursday**     **CTiS&D:** Pentecost Praise is planned for 9<sup>th</sup> June and will take place at 6.30 pm at All Saints Church. We ask for a great outpouring of the Holy Spirit on Victor Jack, the speaker, and everyone involved.
- Friday**     **Services – Police** are facing so many problems partly from lack of funding and manpower. We need to rely on this specialised form of support only they can give. Lord put Your restraining hand on those in control, open the coffers and encourage young men and women to take up careers in all the forms of policing. Be in every decision Lord.
- Saturday**     **Prayer Breakfasts** 8-9.30 am on 8<sup>th</sup> June – venue TBA  
**Town Pastors** – we pray for the pubs, clubs and ‘bouncers’ tonight Lord. Help them all to keep in mind the safety of their customers over and above the financial rewards. May they show & use their integrity. Fill Mark & Jackie with Your Spirit’s loving wisdom and insight please.
