Prayer Newsletter Spring 2009 Part 1

The Open the Book project got underway last term. Getting up and running was a challenge in itself; gathering team members, sorting props, organising dates...but God is good and these things came together relatively easily.

We started off at St Gregory's School, on a Wednesday morning, leading their collective worship. The children have responded really well to the stories that they have heard and have been fascinated by all that happens. I am regularly stopped whilst doing my shopping, with comments like 'it's Jo, the 'book' lady' or 'I love your assemblies, they're really fun'. We then started taking a team to Great Waldingfield Primary, where the children and staff alike have enjoyed the assemblies also.

We are starting assemblies again in these schools, but also at Wells Hall Primary this January. We are reaching vast numbers of children (360 alone just at Wells Hall) with 'God's story' and we thank God for this incredible opportunity.

We are still in desperate need for volunteers to help take Open the Book into different schools in the town. Other schools are enquiring about us going in to do assemblies, but without more team members this just isn't possible. Small teams of 5/6 people are needed for each assembly, which lasts approximately 15 minutes and obviously some time for practicing is needed too. ***Do you feel this is something God is calling you to do? No acting expertise is needed!***

- **Please continue to pray** for all the children and staff at the schools we visit, that they may enjoy the assemblies and make them think about the messages they hear.
- **Please pray** for more team members.
- **Give thanks** for the volunteers that give up their time to do assemblies, make props and support this work. Without them this work really wouldn't be possible!

A new term, a new start as n:vision@springlands moves home!

We had a wonderful celebration at the end of last term as our time at All Saints Middle School came to a close. It is with excitement and anticipation, of what God is going to do, that we start this new term at Woodhall Primary School. I must add a little tiny bit of apprehension as well, after all who likes change?

- **Please pray** for us as we take this giant step, that God will bless all the children. That those who have been so faithful in attendance will move with us (they have promised they will) and that we will recruit more children over the coming weeks.

Thank you for your continued support it is much appreciated.
