# CAVE LYFE

For  
Men Only

What's your thoughts about **SUCCESS**?  
Do you always want to win or do you think you  
are a born loser?

What's the most amazing thing you have done? Are there  
things you haven't done because **PRIDE** gets in the way?

What part does **SEX** play in your life? Do you struggle  
to cope with lustful thoughts?

What makes you **ANGRY**? How do you handle your anger?  
Has it got you into deep water?

Where do you stand regarding **WEALTH**? What about the  
"Jones's"?  
Plenty or never enough?

What about **GOD**? What about God!

"I asked God to be my best friend—it was  
**such a relief to discover God was wild and gentle and not  
judgemental and square**" This is a quote from an EX SAS Sol-  
dier, Mountain Climber and TV Personality, Bear Grylls.

Join the MiCS team as they explore the above topics and discover what it really  
means to know God as a friend, wild and yet gentle, in a series of evenings entitled  
**Cave Lyfe.**

Sessions will start in the autumn with a getting to know you evening  
on 23rd September.
