Contemporary Christian Studies

January 19th 2011

Dear Church Leader/Christian Leader,

You are invited to an East Anglian Leaders Forum entitled 'Re-Thinking Evangelism' to be held in Bury St. Edmunds on Thursday March 24th (see publicity).

Krish Kandiah, of the Evangelical Alliance, and several other speakers from different denominations will be addressing the theme of 'Re-Thinking Evangelism' which is of considerable importance to church leaders today. However, there will be opportunity for everyone to contribute to the "conversation", hence the hope that you might be able to attend. It is a forum so everyone's perspective matters. As a result we need to hear from as wide a cross section of people as possible.

Would you please endeavour to come, send a representative from your church/organisation, or attend as a group (see group offer)? Additionally we would greatly appreciate it if you could publicize this event by e-mail, newsletters and word of mouth so that as many people are aware of it, as possible.

We have sought to keep the cost of the day down to a minimum. To register and pay in advance please either send a cheque (payable to 'Spectrum') to the address below with a booking form or alternatively, pay online using the PayPal facilities. A light lunch will be provided in the price when registration and payment are made in advance.

We look forward to seeing you.

Kind Regards,

Andrew Buttress (Director of Spectrum)
