Men Unleashed

Get equipped, inspired

In association with

codelife

Stevenson Centre / Sat 12th March 2011 / 9am - 5pm / £15.00 (inc. hog roast lunch)

Andy Drake was born and raised in Australia and has worked as a dustman, labourer, computer programmer, airstrip builder, evangelist and Baptist Minister. He planted a youth congregation at the age of 18 and has helped lead three churches over the last 15 years. Married to Sophie, who is training as a Clinical Psychologist, Andy now works for CVM as their National Ministry Director.

We also have **Victor Jack** as one of our workshop seminar leaders

We will network, worship, pray, get inspired, get to grips with God's plan for our lives and get some tools to live life well for God. More than ever we need to be in a band of brothers. Get along for the day and get fired up and equipped.

CVM has a vision to connect men to Jesus and the church to men and is strategically placed to enable and facilitate this conference.
