

Dear

**Re: Ronny Heyboer, World Outreach Missionary and Pioneer from Borneo
at Cornard Christian Fellowship, The Hall, 1 Broom Street, Great Cornard CO10 0JT
on Tuesday 24th April at 8pm**

I would like to give your Church the opportunity to be blessed and challenged by meeting with a man much used of God. He is a real inspiration to listen to - you will not be disappointed!

Ronny Heyboer, who is sponsored by World Outreach, has a real passion for the Lord. God has given him a vision to build the Living Waters Village in the jungles of Borneo. It is well under construction and, when finished, will accommodate 1000 jungle orphans in a place of safety and provide schooling for 2000, where they can live, learn and be loved and cared for under the ministry of the gospel. (see <http://www.livingwatersvillage.com> for further information.)

His visit to the UK is aimed at spreading awareness for the project, preaching the Good News of Jesus Christ and testifying to God's goodness to them all in Borneo. There will also be information for anyone who would like to support the ministry in any way by prayer, financial or practical support.

Ronny is a dynamic and motivational speaker. He writes: **"My passion is the Lord and challenging His church to get actively involved in World Missions."** Ronny obviously talks about the work at the Living Waters village, however his message also includes a clear challenge to consider the wider field of overseas mission. His heart is that all may be provoked to consider God's word and leading for their lives, wherever that may be.

If you would like to borrow a short DVD to give you a better understanding of the scope and scale of this project then please contact me. You can also find a link to view this DVD via YouTube on the Churches Together website.

We were so impressed with the integrity of this ministry and the wonderful miracles that God is doing in the middle of the Borneo jungle we have chosen this as our major overseas ministry to support financially.

Perhaps you could display the attached poster or include the details in your next Church Diary Dates or Newsletter?

Thank you so much for your time in reading this and I hope that you can encourage those in your Church to come and hear Ronny speak – I am sure you will be very moved by God's hand upon this ministry.

Yours sincerely in His service,

Nick Harcourt-Powell
(Elder: Cornard Christian Fellowship)
