# About the Victory Jazz Band

*The Victory Jazz Band was formed in the summer of 1995 when Foxearth Parish Council was looking for a band to play at the VE day celebrations held in Foxearth village Hall. A group of players who regularly played at the Swan in Clare duly obliged and the band was formed. When we were thinking for a name for the band, our cornet player suggested The Victory Jazz Band because of the VE day celebrations and the name stuck. We hope you enjoy our brand of Traditional Jazz & that we'll get you dancing in the aisles.*
