

EGG ORDERING OPEN

Ordering has opened for schools, churches and groups that want early delivery of The Real Easter Egg.

Last year many schools either gave every child a Real Easter Egg or ordered enough to give away as prizes for achievement.

School orders must be made and paid for by 12th December 2012 and church orders by 12 February 2013. If you order 12 or more eggs, by these deadlines, then you get free delivery. See the order form to the right for payment options.

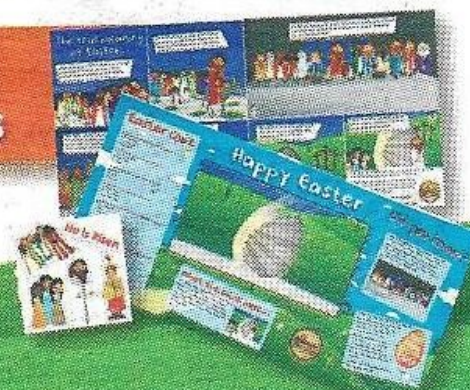

Remember, out of the 80 million Easter Eggs sold each year in the UK, The Real Easter Egg is the only one to tell the Easter story.

This year, inside the box, is a free activity pack which includes the Easter story, activity poster, free itune download and a sticker set. The resurrection text from Mark can also be found inside the lid. With each sale we make a donation to Traidcraft Exchange (over £40,000 has been donated so far).

Churches can register at www.realeasteregg.co.uk

FREE in each box -
Easter story, activity poster & stickers
