

JAGFEST

An Invitation to join us on 2ND March 2013 AT 11.00

AT

The Paul Roach Jaguar Centre
Inca Business Park
Acton, Sudbury CO10 0BB

Churches together in Sudbury and district are holding a meeting to explain more about this event being held on 5th May 11.00am to 6.00pm.

We would welcome you and any that you may think would be interested to see how the reclaiming and transforming of old Jaguars and other classic cars can be used as a simile for the transforming power of Jesus.

The Jag Fest event in May is for Christian and non Christian folk to come along with friends and family.
