

SYRIA - *Is tragedy looming for Christians?*

Syria, in terrible conflict, has many faith groups. What future for Christians?

Hear **Rev. Dr. Gamal Makkar from Damascus**

at **St Gregory's Church Sudbury**

on **Sunday June 30th 5.30 - 7pm**

(with a break at 6.15 for those attending local evening services to leave).

Gamal and his family have lived for fifteen years in Damascus, providing Christian courses and conferences for students and young people, and latterly pastoring a growing church. His team has made a number of films: the most recent being 'Damascus', about the conversion of St Paul.

Each summer Gamal & his Lebanese wife Micheline lead a programme for Arab visitors to London. Last year they relocated to Beirut but Gamal travels regularly to Damascus to minister to his congregation, despite the obvious dangers.

LIGHT REFRESHMENTS

Note also: Gamal will preach at SUFFOLK ROAD CHURCH at the 10.30am service that day.
