Can you Help?

Sorry for the delay in getting this edition to you, but when you see the reports and where God has led us I know that you will forgive us. It makes such exciting reading!

Please note though we need help in many areas and unless we get it clubs might close and new ones cannot be opened.

A New School Year

A few changes have happened in my working week since the beginning of the new term in September, these have mainly come about due to the Middle schools closing down.

The Open the Book assemblies are every other week and I will be helping Jo with her assemblies on Monday morning when needed, at Woodhall and Hillside.

We both have a wonderful group of volunteers without whom we wouldn't be able to do the work we do. I could really use some help on a Monday afternoon at Tudor Road Primary n:vision club, if anyone feels they could come along and help for an hour each Monday please contact me.

I am at present also working on offering more lunch clubs within some of the primary schools for years 5 & 6, again I would need some help to run these clubs, if anyone could offer themselves for an hour at lunch time one day a week, please contact me.

The schools are still very supportive of the clubs and assemblies we offer, please pray that this relationship continues and that the children will continue to come to the clubs and God's word will continue to be shared with so many.

Thank you.

Thomas Gainsborough School

Together with Liz Moulton, Rev. Chris Ramsey and headed up by Ian, FV has established a Chaplaincy in the Thomas Gainsborough School. We are being integrated into student services and are line managed by the Assistant and Deputy Heads, as a partnership between the school and FV.

We are feeling our way at the moment but the response has been very positive. A protocol has been written and agreed with the school, outlining what we can and cannot do. We are there to serve the whole school community; young people, adults, families. Anyone who needs a listening ear or support will be helped. We also run an enrichment lesson on a Thursday, after school, to which any of the pupils can come and eat doughnuts!

We will continually evaluate this project and see if it is possible to put it into other schools. Informal talks have already taken place, so watch this space!

Orminston Sudbury Academy

As well as being involved in a lunchtime club called MOSAIC on a Wednesday, FV is working with the head of RE to provide a day looking at prayer. Prayer Spaces in Schools is an initiative to allow pupils to explore what prayer is by using a variety of approaches.

For more information about the project see www.prayerspacesinschools.com

Lifepath 2014

We would like to run Lifepath again next year but we need to create a team of people to oversee it. We have all the activities etc sorted, its the organising of the event that needs working on. Jobs to include procuring materials, getting helpers, liaising with schools and churches etc. Interested? Please contact Ian.
