

## **WE NEED YOUR GARDEN!!**

The Rotary Club of Sudbury is hoping to organise *Sudbury Spring Open Gardens* in aid of the Home of Hope in Beirut, Lebanon, which is a Christian children's home that supports children from the Syrian conflict as well as children in Lebanon who have no parents or home in which to live. This event is planned for Saturday 12th and Sunday 13th April 2014.

Would you be willing to open your garden for this occasion? We aren't expecting immaculate lawns or pristine flower beds but natural gardens that are bursting into spring life! They can be small gardens such as patios or much larger; they can be wild gardens that are designed to attract birds, butterflies and any number of insects. In fact, we think that all gardens contain something special that would be of interest to visitors.

We have chosen April for a number of reasons - in the summer there are many other open garden events in the area, and so it's a treat to see spring flowers after the lack of colour of winter; in addition, gardens are easier to control in the spring so you don't need to rush around getting it all manicured! Please think seriously about taking part.

For further information or to book your garden, please contact Malcolm Offord on 01787 315689 or e-mail [malcolmofford@btinternet.com](mailto:malcolmofford@btinternet.com).

Thank you - Malcolm Offord
