

For this week's Mission News (12<sup>th</sup> March) both Sudbury and Bures Baptists are beginning to put their plans together. We pray for both Churches as we join in Bures prayers herewith:

## A prayer for Bures:

### 'The 2 Rivers Mission' on May 7<sup>th</sup> -10<sup>th</sup>

Thank you Lord, for the opportunity you have given us, to bring, Jesus into the lives of the people living in and around Bures.

Please help us to be a witness to you in everything we do from now up until the event.

Please be with those who are organising anything, in particular Kenn, Chris and Pastor Cath.

Protect them and their families against Satan and all who would seek to destroy the love of Jesus entering peoples' lives.

And help them in their endeavours to bring the event to fruition.

Also, Lord, please bring forward those people you would want to be willing volunteers when the requests come.

We ask you Lord, to prepare the hearts and minds of those in the mission team, who will be coming to work and also those amongst us in our village and surrounding area who will be on the receiving end. Bless them Lord and make it a bumper harvest.

Your Word says, 'Call to Me, and I will answer you, and show you great and mighty things, which you do not know.' Lord we take hold of that promise as we call to you. Amen
