

Springlands and the mission

What great encouragement we received from our four days of mission with the Through Faith Mission team. It was hard work but so rewarding.

The Monday was our biggest push because we want to see community spirit develop on the Springlands estate. Many times beforehand we had wondered what on earth we had taken on but it all ran so smoothly we know God was in the planning, in the whole day and in the clearing up. We could not have done it without the help of our Christian brothers and sisters and we will be forever grateful to them all. 430 people came through the gate. Many were spoken to by the team and the Knowing Good Personally leaflets were given out. Now we can only pray that some of them will read them.

Other activities included door to door and although many turned us away there was no animosity. The statistics given to us show 178 homes were visited of which 41% opened their door and 48% completed the survey.

We also took assemblies in both of the primary schools and on Tuesday evening we entertained 4 people who usually come to the monthly coffee morning. Another great day and evening!

Thank you all for your prayers and we ask that you will continue to pray as we carry on working on the estate.
