in St Peter's

Games, Fun, Prizes

Churches Together in Sudbury & District will be running their third I-Spy Easter children's competition from 10 am on Easter Saturday. Individual Christians will take on the roles and dress in Biblical costume to walk the streets around Sudbury Market. The children take a collection card from St Peter's and spy out the characters, get their signatures and take their completed cards into St Peter's for a prize. At the same time all manner of fun and games and activities, with an Easter theme, will be taking place in St Peter's. Various arts and crafts enable them to make Easter cards and bookmarks etc to take The Message home with them. They also cut out and write their own prayers on the prayer 'fishes'. These are then hung on the tree in the I-Spy Easter garden. The children of St Gregory's School are busy making the tomb for this year's garden. When I-Spy Easter is over the garden will be re-assembled and on display in St Gregory's Church, together with the children's prayers.

If you appreciate the great opportunity this offers to spread the message of Easter to countless children and you and/or your church would like to be involved in the activities in St Peter's, please contact **Gerry Higginson 01787 378047**.

If you are challenged to take on the role of a Biblical character please contact **Arthur Dalgleish 01787 319917**. He is still looking for 2 men as disciples, 2 women Mary Mother and Mary Magdalene and a young person. They will act. This year we are acting out their story in bite-size cameos as naturally as possible hopefully to lead to conversations with passersby. The children can also pick up a free booklet of the Easter people, together with other free gifts – all sending the message of our Wonder-Full Risen Saviour.

In any case, do encourage your church to be involved and your parents or grandparents to bring their own children to take part. This Easter share the message in a way you have never done before!

Bless others – and - be Blessed yourself!
