

*Time to Pray - It is!
Time to Pray - Have you?
13th April 2016*

~ ~ ~ ~

*Join us at CTiS&D in praying for every area of life in and around Sudbury,
from Civic to Services, Schools to Churches.*

We make only brief suggestions so that you can:

Pray without limits - Use your imagination - Make notes of your thoughts/answers

- Wednesday** **Civic Citizen's Advice Bureau** – an organisation which has proved a lifeline for so many people now facing possibility of having to move from Belle Vue House. They will need patience until the decision is reached and great physical strength if they have to move.
- Thursday** **CTiS&D: Future Vision** – We are inordinately blessed with this dedicated team in our local schools. They take assemblies, run school clubs, deliver RE lessons, lead workshops and we even have a Chaplaincy in town. Praise God for each one involved
- Friday** **Services: Police** – constantly facing increasing problems and media criticism whilst short of finances and manpower, they are still there when needed supporting and protecting us. Thank God there are still folk called to serve us in such a way.
- Saturday** **Prayer Breakfasts** 8-9.30 am on 23rd at Little Cornard Village Church. On the outskirts of our area but very much part of CTiS&D. All welcome £1 per head.
- Town Pastors** from 10 pm to 4 am Saturday in Sudbury.
North Street in Sudbury is a different place in the middle of the night! May the Lord's protection surround our Pastors and reach into the hearts and minds of those they help
- Sunday** **Churches: All and especially** St Mary's Glemsford. This beautiful village church set on a hill is a beacon of God's gospel. May all their worship and outreaching efforts bring great joy to the Lord Himself.
- Monday** **Schools:** Woodhall Community Primary School – Ask for the presence of Jesus in each room and beside each pupil and teacher. Future Vision run *n:vision school club here regularly.*
- Tuesday** **Charities:** Befrienders – housed in Bill Yates' house next to Eden's Project these folk give a helping hand to many needy people. Pray for all their care planning, finances and staff.

From next week, the layout will read Sunday to Saturday and not Wednesday to Tuesday. Then from May I will print out whole calendar month and save time and paper! Eleanor.
