

Evensong at St Gregory's during this winter

Many people love Evensong, but to come out on a dark, cold winter's evening has been stopping them attending the evening service.

The Ministry Team have decided that they will try having Evensong during the winter months at 3.30pm which will hopefully allow some people to come to the service. This will begin once the clocks have changed at the end of October

Quite often during the winter months St Gregory's does not have Evensong as it coincides with other services.

We have listed below the Sunday afternoon/evening services that will be held during the winter months.
