- Thursday** **CTiS&D:** Due to the efforts of St John's Church, Sudbury is a Fairtrade Town with many shops, business, churches etc supporting this caring venture that ensures those who grow and sell produce get a fair return for their efforts. Pray for further support to reach sources.

- Sunday** **All Churches** May the power of Our Risen Saviour lay a mighty blessing upon every place where Jesus is revered today. As they enter may those who have worshipped for years know New Life, those who go rarely be filled with certainty and all leave with Jesus close beside them – and that to bless beyond their dreams!
- Monday** **Schools – St Gregory’s** Bless these children as they work, play and learn together. May all they learn of You stay with them for the rest of their days, coming to life when they least expect but blessing them all until that Great Day when they see You face to face.
- Tuesday** **Charities – British Legion** So many lives helped and strengthened through this org. Lord we thank You for it, for the time expended and the skills used to bring encouragement to others in need. Thank You.

- Friday** **Services – Removals** made so much easier by the skills and strength of the folk running these businesses. What a joy to have someone do rely on when we ‘up sticks’ and move home! May they be appreciated and know the satisfaction of a job well done. Thank You for each one.
