

Plans for Prayer walking during 'Thy Kingdom Come'

Each day the walk will take us around a specific part of Sudbury. We will begin by gathering for prayer at a set location and then walk the route for the day until we have finished. Depending on the number of people walking we may split up into small groups to cover the day's area more efficiently. We will keep in touch by mobile phone as required and meet up again at the end of the walk (if separated) for a short time of reflection on how the walk has gone.
