My apologies – I 'lost' a week!

- Sunday** **All Churches'** summer outreach. Lord will You pour Your Precious Holy Spirit on every event organised by churches for outreach, fun, building faith, community involvement – everything they plan. May everyone who attends know You are present; may everyone who shares the workload be strengthened by Your Grace and Love.
- Monday** **Schools – All** from nurseries to universities. Please put Your angels on the walls to keep the properties safe. Please give new heart to staff as they enjoy their R & R. Bless all Governors too Lord. As they take a deep breath and relax, may they know the joy of serving young people
- Tuesday** **Charities – Touch** those who have no part to play Lord. Those who don't see the need to help others. Those who are content with their own lives alone. Open their hearts to the joy of helping & serving
- Wednesday** **Civic** – our Councils and allied staff continue to serve us. May they know a peaceful summer which sets them up for all the arduous tasks ahead of them. Give them clear sight and great wisdom Lord please
- Thursday** **CTIS&D:** May all our Ministers, lay people and church folk find new understanding from Your Word through August. Speak to Your people Lord – deepen our faith, extend our experiences, baptise our imaginations to see You more clearly and love You more dearly
- Friday** **Services** – Thank God for all who work through the nights in many different places and ways to keep our lives running freely and safely. Lord lay Your Hand of Love on those who would mar and disrupt; quieten the spirits of the aggressive. Bring rest to their souls Lord.
- Saturday** **Prayer Breakfasts Not meeting during August**
Town Pastors – Frank & Danice are on duty tonight. Lord as You walked beside Your friends the disciples, please walk beside Frank and Danice so they are sure of You that they can turn and talk to You
