to the hungry, now He's calling - "Come and Dine".
(in tribute to Gordon Marchant!)

- Sunday** **All Churches and especially Cornard Christian Fellowship.** We bless and thank You for this lively and energetic church Lord. Established by so few yet lovingly serving their community. Each one has a story of how You touched their lives and drew them close to You
- Monday** **Schools – Thomas Gainsborough Academy** A school with a good reputation of valuable achievement through its teaching. We pray for the teachers there who bravely proclaim their allegiance to You and ask that all their influence will bring joy to Your Heart and benefit to all.
- Tuesday** **Charities –** At time of writing many aid agencies are involved in the plight of migrants hoping by land or sea to reach a place of safety to call home. Be with each individual 'hands-on' aid worker but above all please be in the decisions which the involved countries have to make.
- Wednesday** **Civic -** we pray for those in office on behalf of our towns and villages. May they know the joy of serving others in need, take no personal credit, and know the satisfaction of changes through a job well done,
- Thursday** **CTiS&D: -** Eden's Project has long been a boon to Sudbury's young people. Right now they have chance to buy their property following the death of Bill Yates. Help us to turn our thankfulness for all their youth work into ££s so we do our part to make sure this project continues
- Friday** **Services – media Music** A memory from a deacon in 1950s: "a syncopated rhythm is of the devil"! He was worried then, how much more he would be now watching our head-banging music lovers!! But Lord You gave us music to bless, heal, rejoice & praise with. Help us!
- Saturday** **No Prayer Breakfasts during August** May our faithful 'early risers' be blessed as they turn over in bed, restoring their souls and giving them increased energy to meet other needs – but not to stop praying!
Town Pastors – all assistance with our Police is welcomed. May their relationship be of great value, well thought of and increasingly bear fruitful outcomes in their relationships. Bless our friendly Police Force

"Come and dine", the Master calleth, "come and dine";

- Sunday** **All Churches and especially Living Waters** Thank You Lord for the faithful witness and hard work of Peter and Karen Avery. May Your Hand continue to sustain & bless them. The new pastor Paul Clapham will need Your wisdom, strength and anointing to bless his outreach.
- Monday** **Schools – Acton Primary** A vitally alive school but it still needs our prayers. May the Lord touch each young heart in this school and may all that is taught and learned bear much fruit in years to come.
- Tuesday** **Charities – Migrants aid.** Such a huge problem with no apparent solution. Pray for those trying to escape, those being manipulated by ruthless money makers, and the countries faced with impossible demands and decisions to make as so many land on their shores.
- Wednesday** **Civic – Council merges** are bound to cause extra problems, more work and friction. May our councillors know how to evaluate the needs and balance the vital against the important. Bless them with wise minds and wide open eyes Lord so that all the pieces fit together right!
- Thursday** **CTiS&D: - MAF** This practical ministry touches so many lives unable to help themselves. As well as ferrying Christian workers around the world, they air-lift sick and injured to hospitals they could not reach alone and bring goods & joy to many outlandish areas. Bless them all
- Friday** **Services – Media News** As we swallow our annoyance at the way Christianity is ignored or pushed aside, (even our beloved Songs of Praise) Lord we ask please that You infiltrate the places of power where decisions are made and open the minds' eyes of those concerned to be fully aware of the impact they are making on our lives
- Saturday** **Prayer Breakfasts** 8-9.30 am on 15th July at Suffolk Road Church. Always a welcoming place with good food and warm heartfelt fellowship and prayer. Open to everyone – do join us.
Town Pastors – in town tonight with smiles, warm friendship and helping hands for those who need it. Be their strength and joy Lord filling each TP with You Almighty Power of love and compassion

you can feast at Jesus' table all the time,

- Sunday** **All Churches and especially St Mary's Glemsford** As this church stands high above the village may its message of light and hope touch every home and family with Your great love Lord, blessing everyone
- Monday** **Schools - Long Melford CEVC** Another church based school. Lord give all the teachers and staff a generous portion of Your Spirit that leaves an imprint never to be lost on the lives of everyone involved
- Tuesday** **Charities - Travellers aid.** There are often big problems between the travelling and local communities, especially after the news of destruction following their visits. Please bless all involved, to bring peace to these situations. Help them influence the next generation too.
- Wednesday** **Civic - Banks** The love of money distorts but we ask You Lord to touch those in control of our finances to have unfettered vision able to see clearly the results of their methods, advertising and targets please. May we and they know how to be good stewards as You have asked.
- Thursday** **CTiS&D: AsiaLink** bringing hope to many eastern countries where the majority are either Buddhist or Moslem. Hold Your faithful servants in the palm of Your hand Lord as You have promised, so they each know how close and reliable You are however difficult their circumstances.
- Friday** **Services - media TV** Lord we cry out to You for help as we cringe at the disrespect and sinfulness blazoned abroad on our screens. How can we keep our homes and lives 'holy unto the Lord' with such scenes constantly played out before our eyes. Bring holiness back to our TVs
- Saturday** **Prayer Breakfasts** 8-9.30 am on 21st July St Gregory's Church. Do join us as the people of this beautiful church open their hearts and its doors for us. Breakfast only £1! You will be most welcome
Town Pastors - We ask especially for Your Presence in each club or pub and on every street tonight Lord. May our TPs walk in Your steps sharing Your kindness and warm friendship with all they meet there.

He that fed the multitude, turned the water into wine;

- Sunday** **All Churches and especially our friends at the Catholic Church on The Croft.** As they walk through the doors may they know for sure that You are there to meet them & whatever need they bring with them
- Monday** **Schools - Gt Waldingfield CEVC** Please be in this vibrant school Lord teaching the young within its walls, the parents who come and go and indeed the whole village, bringing each section into Your Presence
- Tuesday** **Charities - Medecins san Frontieres** Constantly at the forefront of catastrophes or emergencies, facing dirt disease, hunger, suffering of immense measures. Thank You Lord for every single person involved. May each find new strength and deep satisfaction in all their efforts
- Wednesday** **Civic - Closing shops** Our shopping habits are changing in response to the effects of IT on our lives whether we wish it or not and we see the results in the growing number of shops closing on our streets. Even the 'big' names are disappearing. Lord help us not to resent changes but to make the very best of all the good they can offer us
- Thursday** **CTiS&D: - Tools with a Mission (TWAM)** How many lives have been given new purpose, how many families saved from disgrace and starvation by the gift of tools etc we no longer need allowing them to make new life starts?
- Friday** **Services - media films** May your people see through this 'tinsel' world Lord, especially our young easily-led younger generation. Help us all to be better judges and know the difference between a good story well acted and the insidious tentacles of evil trying to ensnare us.
- Saturday** **Prayer Breakfasts** 8-9.30 am on 28th July Old School Hall Glemsford opposite the village hall. Easy parking and friendly prayer & fellowship
Town Pastors - Lord please surround all who would go out tonight to celebrate for whatever reason and help them decide beforehand to hold themselves in check. Help our TPs be there for those who don't
