and incense of LOWLINESS

Kneel and ADORE Him - the LORD is His Name

- Sunday** **All Churches and especially St Andrew's.** As this fellowship open their doors to Cornard young people, may the warmth and 'specialness' of Your Presence meet everyone at the door. May their response come from the heart and fill their lives with new purpose.
- Monday** **Schools - TG Academy** Young lives almost at the crossroads betwixt child and adulthood. We ask for a powerful awareness of Your Spirit in this school Lord so that each student, teacher, helper and parent is encouraged to greater study, interest, understanding and support.
- Tuesday** **Charities - Events/Outlook** booklets circulated in our town and villages tell of the many and varied activities on hand. Thank You for folk who see the need to share these details and for their concentrated efforts to cover every available field. May we be grateful for their help.
- Wednesday** **Civic - Health & Safety** We laugh at 'elf & safety' but it is a vital part of our Council's concern to keep us as safe as they possibly can. For those who need outside support we thank You for every aid to this end
- Thursday** **CTiS&D:** October brings the decisive Forum when official positions are elected. May we know for sure that the people called to serve us are Your choice and totally endowed with all the gifts they will need.
- Friday** **Services - Panic bin collection missed!** Reminds us just how invaluable our 'bin men' are. To live in a healthy environment and have others cart away our smelly rubbish, is surely a Godsend! Sometimes these collectors are doing Community Service. Even so we should thank them for making our lives so much easier - yes? yes!
- Saturday** **Prayer Breakfasts** 8-9.30 am on 28th Sept at Little Cornard Church.
Town Pastors - Frank and Jenny will need to know they can call on You anytime Lord as they walk with You tonight. Whatever they have to face, may they both know Your Presence with them, Your sure hand behind them and Your Way before them guiding to Your desired places

- Tuesday** **Charities - Probus** gentlemen keeping their minds active and expanding interest - non political and non sectarian. As they looker deeper into life, may they find You Lord so their 'expansion' touches their souls. May they in turn influence the women they meet up with!
- Wednesday** **Civic - Re-cycling** must be a costly exercise especially with the pressure existing now. Steer the thinking of those involved Lord so that the result is greater care taken of Your great world, as well as a good financial return for those at the top and those involved daily.
- Thursday** **CTiS&D: On 3-8 Sudbury Market witness** gave Bishop Mike and our local Imam chance to meet folk 1-1 and talk about faith. May this openness bear fruit as we share our beliefs. Thank God that it was peaceful and, we pray, of great value to those who got to talk together
- Friday** **Services - Local shops/Winch & Blatch.** Our on-line shopping is having detrimental effect on local shops. Help us Lord to keep our towns and villages 'alive' with our custom. Help too those who lose their livelihood when shops close, and those who are inconvenienced
- Saturday** **Prayer Breakfasts Lavenham Parish Church** is hosting the first in our new season. May there be a 'freshness' in our praying as well as a real joy at meeting together for such an important reason as prayer.
Town Pastors - Arthur & Mandy don't know what they will face on the streets tonight but we rejoice with them that they 'know' Jesus and His power to guide, aid equip every need that will arise. Be close Lord
