Send forth Your Word, Lord and let there be light
 Please - Great God of Wonders!

- Sunday** **All Churches and especially** All Saints Sudbury undergoing window renovation etc. May these new improvements draw many folk in until they find the love shared there reaching out into the community of Ballingdon and touching many lives, filling them with the truth of Jesus.
- Monday** **Schools** – This topsy-turvy school year rolls on. As leading teachers and Govt ministers continue to debate all the problems, help them to release the need to blame someone and instead pick up on their own abilities with renewed effort and initiative & then serve our young well
- Tuesday** **Charities – St John’s, Red Cross, etc** have played a major role in this year’s drama. May their efforts be rewarded as they see people’s lives saved and mended. They too have had to restructure their methods of working. Thank God for their diligence, sacrifice & skills
- Wednesday** **Civic – Brexit** continues to need sorting out! Parting company can cause misunderstandings and annoyance so we ask for the gift of a quiet mind for all who are facing the decisions involved. Again keep us from the desire to blame others, give us all a peaceful kind awareness
- Thursday** **CTiS&D: Food banks** can only aid temporarily however great their love and intentions. Help us as people of The Cross to minister with a greater zeal, more sacrifice, to those around us in need. Instead of expecting everyone else to feed the hungry, help us to do just that.
- Friday** **Services** – the Housing Market needs to pick up to help our economy, so the **Estate Agents** etc will need greater vision and effort to play their part. May their honesty & truthfulness reap great rewards as new buyers respond. Help them to meet their obligations with integrity.
- Saturday** **Prayer Breakfast** Zooming or meeting – they are praying for our world
Town Pastors – May Your Will be Done! As surely as You fill heaven with power and glory, may our streets be places of heavenly meetings! Our ‘celebrators’ need to meet up with angels unawares. Please bless them so they don’t celebrate too much and then have to pay the cost!

Shine, Jesus, shine – fill this land with the Father’s Glory
 Please!

- Sunday** **All Churches Worldwide** as they struggle to start anew. Pour new life into each one Dear Spirit, enhance, invigorate, envision. May all who serve, know You as never before. May ears & hearts be open to Your Word and many reach out for You to fill their churches with Real Love!
- Monday** **Schools** – Local & worldwide. Be close to those who plan, administer, plan finance. Give them brave hearts and clear minds so as to give our young ones the best possible start after this set-back. Lead each leader, Lord and widen the scope of every young mind absorbing truth
- Tuesday** **Charities** – Loving our neighbours as ourselves is not easy! Serving them is a little easier. Please bless those who serve us charitably. Be the motivating Force in every plan and challenge to endure as well as outreach. Be within each preparation and challenge. Please be there!
- Wednesday** **Civic** – Change everywhere from High St to Downing Street! But if our Govt can put their hands into Yours Lord, You and they will lead us in the right direction. Help them put aside ambition, fame, profit etc and follow Your pattern of lowly service with a really caring heart to serve.
- Thursday** **CTiS&D: St Peter’s** has been the hub of CTiS&D since 2000. As it is refurbished to serve the community to greater effect, may Your very presence not be covered in any way so that everyone entering knows they are ‘in church’ & reaches out for Your blessing on their own lives.
- Friday** **Services – Hairdressers & Barbers** Now we know how much we rely on them but hopefully they are back behind their scissors! So often how we feel reflects from how we look. Thank you for their skills and competence. As we preen ourselves, may we look for those around us needing a ‘lift’ and reach out with a kindness that transforms others too
- Saturday** **Prayer Breakfast** - Zooming or meeting – they are all praying for us!
Town Pastors – at home or (hopefully) back on our streets, they care!
‘Go in my name & because you believe others will know that I live’

- Thursday** **CTiS&D:** In January 2020 before pandemic, discussions took place on the future of CTiS&D. With restructuring in mind, they too had to hold back any decisions. Help each involved to rethink the role of CT in this area, their own individual roles and the needs of those they are serving
- Friday** **Services – Post & Newspaper deliveries** have kept us in touch with each other and life in general. Help us to take to heart the valuable and discard any ‘fake’ news. Thank You Lord for the day-to-day folk who bring light and life & information into our ‘static’ lives. Bless them
- Saturday** **Prayer Breakfast** Zooming or meeting – they are all praying for you!  
**Town Pastors** – at home or (hopefully) back on our streets, they care!  
*We pray for Brekkers and TPs as they make decisions on their future plans, asking for wise insight and then fortitude to follow up their hopes*  
*Be close Holy Spirit anointing, equipping, using to God’s great glory!*
