Rejoice. The LORD is KING! ...

- Sunday** **All Churches and especially Friends** With a rich history of dedicated service and pioneering our Friends have much to rejoice in. May each one even in today's daily humdrum life, know the joy of new discoveries of You, Your Word, Your Love, Your Wisdom - of YOU
- Monday** **Schools - Long Melford CEVC** be close to all in this school Lord. Fill each child and adult with a sense of well-being because You walk with each one. May all they learn lead them to a greater knowledge of You.
- Tuesday** **Charities - Homeless** These orgs will be pushed to the limit financially with possibly less income. May those on the streets find ways of reaching out for help and those offering help use the best possible methods to release them from the snares they are fighting.
- Wednesday** **Civic - Homeless** Councils have to face these needs too. May all involved also discover the best possible means of re-housing. Be in the building of new homes and guide in the distribution. May those who are re-housed use that as a means to begin a bright new future.
- Thursday** **CTiS&D: Visits** Nothing compares with face-to-face visits. Help us to share Your love in every word, smile, question, answer, guidance etc even at a distance. May we speak Worthy Words Lord, all the time! Then may our words bear fruit and multiply in the blessings to others.
- Friday** **Services - Posties** They brave the weather and keep on smiling. Thank God for those who don't just do a job but give us a personal lift with each chatty word. Keep them safe from Covid and any danger and bless each one Lord, just as they so bless each one of us. Please.

- Tuesday** **Charities - for Veterans.** From British Legion to Help for Heroes and all in between, may the will to give be there. May the thanks of the nation be apparent, especially where forces have been left damaged. Open our pockets to give to those who have given so much to us.

*HARK, the herald angels sing...*

- Sunday** **All Churches and especially Catholic Sudbury** May the peace of God fill every heart and life connected to this church. May Your Spirit find free reign in every family bringing great joy to themselves and glory to You. Be close to Fr Peter and his staff. Be glorified Lord.
- Monday** **Schools - Hillside Special** May these dear young ones have such an awareness of Your love that it fills every corner of their lives. Bless their families as they weigh the various needs. Bring a joy to all who serve in this School in every way so that all can appreciate Your love.
- Tuesday** **Charities - Blind orgs** How very difficult it must be for folk without sight dealing with the pandemic. Bring a new 'sight' and understanding as You walk with each one. Open hearts and purses that have hitherto supported & prompt us all to give enough to keep the help in action.
- Wednesday** **Civic - Elderly in care** There seems no end to the side effects of CV and our Homes are at the heart of the fray. Give our Councils wisdom to keep the Homes open where they are involved and not to restrict finances or assistance that will be to the detriment of their running.
- Thursday** **CTiS&D: Hard copy for those not IT'd!** Newsletters, memos, reminders, letters, notes - these can all carry the Gospel with power. So help us to value all coming through our doors that speaks of You. May every word be twice considered by the writers and then sink deep into the hearts of every reader. Spread Your Good News Lord widely.
- Friday** **Services - Food Banks etc** So many world-wide are following the leads that Christians started in caring for the hungry and the services now offered must be saving lives and giving impetus to new beginnings
- Saturday** **Prayer Breakfast** Ruth Ridge [ruthridge@gmail.com](mailto:ruthridge@gmail.com)  
**Town Pastors - still praying and listening!**

**Hark! Listen! Hear! There are many voices around us bringing Glory to the new-born King. Just keep listening!**

Christians, AWAKE! ...

- Sunday** **All Churches and especially Cornard Christian Fellowship** We ask that their loving outreach, although curtailed by CV, may still reach out deep into Cornard and 'be there' for those who don't know where or how to turn to God. Be with every messenger who bears Your Name.
- Monday** **Schools - Lavenham Community** Each and every young life here is so very precious to You Lord - may these also be so to their teachers and support staff. Be the love that binds them together and may the oil of Your Spirit ease all tensions and cause this school to run smoothly!
- Tuesday** **Charities - Cancer** These orgs have been stretched because of the CV explosion. So many folk have faced ops delayed or cancelled and the supporting charities then stretched. Be their strength Lord - both patient and supporter. May Your caring Hand reach lives under threat
- Wednesday** **Civic - Mental Health** Our Councils have an increased workload in this area too. How to keep everything running well, to the best of each patient & within the confines of the finances must be mind-bending! So please be at each meeting between differing views so healing happens
- Thursday** **CTiS&D: Phone calls** A call 'out of the blue' can bring such joy. But silence brings distress and then misunderstanding can follow. May we use our phones to reach out with love & so heal sore spots Bless calls
- Friday** **Services - Neighbours** A wave through the window, a smile in passing, a helping-hand, a shopping trip, a phone call to medics - so many ways we can serve each other - and what value each one holds! May Your Dear Presence be evident between us and our neighbours.
- Saturday** **Prayer Breakfast** Ruth Ridge ruthridge@gmail.com
