Cause US, O Lord, to ARISE...

- Sunday** **All Churches and especially St Andrew's** Working closely with All Saints & St Gregory's, they stress their warm welcome to their medieval listed church building. Bless their outreach we pray so that Great Cornard knows where to go for loving care when under stress.
- Monday** **Schools - Belchamp CofE** We ask for all involved a deep sense of pride in their school. May the students value their teachers; may they hold back words that discourage & may everyone rejoice in the giving of their best. May this school portray Your best in everything they do.
- Tuesday** **Charities - Blind** How even more difficult life has been for those without sight and how valuable their charities are. Put new heart into every effort we pray, blessing volunteers, staff & recipients alike. May You be 'seen' even in the darkness, filling hearts with peace and joy.
- Wednesday** **Civic - Tourist Info in the Library** sometimes the first a visitor knows of Sudbury so we ask that every meeting might encourage further visits and even form friendships. Bless staff & may each visitor to our town enjoy increasing their knowledge discovering You live among us here!
- Thursday** **CTiS&D: Sharing ministry** is something we all take part in to a greater or lesser degree. Every smile exchanged, every word that encourages or sympathises is shared with You between us. May our personal daily sharing ministry bring You closer to anyone we meet.
- Friday** **Services - Posties** Although they bring masses of ads. we still enjoy their visits. Thank you for those who continue through 'wind & high water' to bring us news from others. Thank you for their dedication
- Saturday** **Prayer Breakfast** Ruth Ridge ruthridge@gmail.com

Let there be LOVE shared among us

- Sunday** **All Churches and especially St John's Methodist.** Gradually getting back to 'normal' we ask a powerful blessing of the Holy Spirit on every place of worship today. May St John's members each individually meet with Jesus & discover afresh His love as they voice their loving praise
- Monday** **Schools - Wells Hall** It is feared that our children have suffered especially so we ask for an anointing of each young one here. May their hearts & minds be open so what they have lost might quickly be replaced. Help them grow in deeper knowledge & confidence, please.
- Tuesday** **Charities - East Anglian Air Ambulance.** What a relief when these folk turn up at most distressing times with all their skills & assurance. May this org be well financed & equipped and held in high regard by us
- Wednesday** **Civic - Mental Health** still at the forefront as revelations keep coming. May all involved find inner strength to face & cope with the extreme pressures they face & then be resilient to the very necessary changes
- Thursday** **CTiS&D: - Sunday Services** renew our volunteers' joy by setting up their inner man with the resources only found through the Holy Spirit. May all their worship be a means to deeper knowledge and experience & as their ministry opens up again may there be love shared all round
- Friday** **Services - Food Delivery** whether neighbours or businesses, it helps keep us fed and watered. May all who serve us in this way gain a great deal of satisfaction plus new friendships. Thank you for each one, voluntary or paid. May their 'giving' be immeasurably blessed.
- Saturday** **Prayer Breakfast** Ruth Ridge ruthridge@gmail.com

Sports play a vital part in so many lives but large gatherings can so easily overspill into danger. Bless those who entertain us with their arts & hold back those whose enthusiasm oversteps social boundaries.

*Let there be LOVE in our eyes*

- Sunday** **All Churches and especially New Life.** We pray for an awareness of God's precious love on every member meeting today. May every look speak of Jesus and His compassion. Be at the meeting of their eyes, in every gesture and touch each heart to its depth with Your love
- Monday** **Schools – Woodhall** Give these young people a joy that knows no bounds as they learn and play together. May those who respond to teachers and friends enjoy their bonds. Especially bless those who for whatever reason cannot open up or hurt others, help them learn trust.
- Tuesday** **Charities – Overseas Aid** Our TVs constantly show us distressing glimpses of suffering. May all who work to improve life for others know how best to serve, how much to give, how not to hold back, how to understand other ways. Bless our Aid Lord. May it have Your Touch.
- Wednesday** **Civic – Care of Aged** is asking our Govt for more financial support along with many other orgs. We ask for balanced thinking for all Govt depts so what is given may be of greatest benefit, and what is held back may reap rewards for future distribution. Bless all involved Lord.
- Thursday** **CTiS&D: Sermons, spoken written filmed** how varied the guidance given to those who minister 'on the ground' as well as in the pulpit. As we share time, friendship, listening skills, prayers etc may the sermons speak deep into our hearts setting us ablaze to fill this land with Jesus.
- Friday** **Services – Home Servicing** those who respond at our call be it boiler, utensils, accidents etc are a Godsend. Thank you for these services. May those who 'sort us out' be blessed by our warm thankfulness.
- Saturday** **Prayer Breakfast** Ruth Ridge [ruthridge@gmail.com](mailto:ruthridge@gmail.com)  
**Town Pastors – still praying.**  
**Olympics in Japan** We ask for safety for all taking part, from any country. May those organising keep their sights on safety rather than just presentation, the athletes more on concern for others than their performance. May all be a blessing to each other with joy all round.

May now YOUR LOVE sweep this nation

- Sunday** **All Churches and especially Salvation Army Sudbury** Reaching out with service and worship in equal measure, may every effort bring great rewards. May those receiving be blessed and lifted up to new beginnings & all their worship bring loving joy to Your heart Dear Lord.
- Monday** **Schools – Acton CofE** Just as Jesus' eye was on children, may each child here know His close presence and strengthening friendship. Be so close to all at this school that they can each take You home with them and thus bless their families as well. May all Acton know You.
- Tuesday** **Charities – Cancer** These orgs must be swamped with needs as the pandemic has limited hospital care. Give extra strength we ask to all who help, voluntarily or paid. May each org be able to find a pathway to reaching as many as possible with all their needs. Bless them Lord
- Wednesday** **Civic – Lift off?** Our Govt has taken a beating – whatever they do can never please all but we ask that each time they face positive decision they might be able to put aside their own ideas, see facts as they truly are and know what will serve us best. Be their wisdom & strength Lord
- Thursday** **CTiS&D: Singing** has always extended our worship so if we are now free to sing our hymns, we ask that every note might bring You great joy & every word touch deep into our hearts. Even humming to ourselves, may our songs speak constantly of You and thus bless us.
- Friday** **Services – Fuel/Garages** These businesses too have suffered as we have taken fewer journeys. We thank you for those who 'man the pumps' day and night, giving us fuel to travel. May we treat them with respect leaving them happier each visit. Help us be good customers.
- Saturday** **Prayer Breakfast** Ruth Ridge ruthridge@gmail.com

Football has been a source of great joy these last weeks. But disrespect has also surfaced. Help our fans to really see what their attitude does to the game & players. Help them 'play the game' truly
