and satisfy your soul. [the choice is yours]

- Sunday** **All Churches and especially URC Long Melford** after 359 years of service, they have closed their doors. That must have brought heartache to so many – God alone knows the vital part played in village life & the legacy they have left. Behind. Thank God for URC LM
- Monday** **Schools – Lavenham Community** Shaping young lives for the future as well as helping them cope with the present must bless all involved. May teachers be aware of their impact & students be able to take to heart what is available & valuable to them. Be in all their growth Lord.
- Tuesday** **Charities – Sports clubs** so many people give time, effort & money to keep others fit & healthy. We thank God for the joy of achieving a goal or just being part of a team. May our physical skills reflect pure hearts leading to competent teamwork especially to those less well-endowed.
- Wednesday** **Civic – Hamilton Road** new plans are afoot! A long time coming but we ask that all involved may give of their best so that all can be sure that this space will enhance our town, shopping, travelling, everything. Be their inspiration Lord bringing Sudbury to greater life & enjoyment
- Thursday** **CTiS&D: St Peter’s** Well underway now. May the sacredness of this place reach into the lives of everyone who enters. May the legacy of prayer anoint all the work done as well as the workers. Thank you for the obvious importance this church holds for the people of Sudbury
- Friday** **Services – Body-worn cameras on Ambulance Service** are now vital in face of the abuse these workers face. A sad reflection of our times but we thank God for their further protection. They are precious to us Lord, keep them safe physically & aware of how we value them.
- Saturday** **Prayer Breakfast** Ruth Ridge ruthridge@gmail.com
Town Pastors – still praying.

By now, may both these events be taking place to Your Great Glory. Dear Spirit give vision for the future, stir interest and move folk to commit to new ways of spreading Your Wondrous Gospel of Love.

O let the Son of God enfold you

- Sunday** **All Churches and especially Sts Peter & Paul Lavenham** Lord with a history of blessings, this church still needs Your touch for those You seek. Be in every effort, idea, plan, sermon & service bringing new life, new visitors, new openings, new touches of Your Dear Holy Spirit.
- Monday** **Schools – Glemsford Community** Only You know the needs at the heart of each student & teacher. May Your Spirit be free to change & lead to new discoveries that will enhance young lives thus affecting village life as well as any part of the world the students may end up in.
- Tuesday** **Charities – Go Start** our local ‘transporter’ ready to meet our needs. Thank God for their reliability & friendly approach. May all their vehicles & drivers be kept safe on the roads. Please bless their families, plans & funds so they can meet all their challenges with You.
- Wednesday** **Civic – OSA Sports Centre** dispute may be resolved by now but we ask for helpful discussion, renewal of friendly contacts so that many can take advantage of this facility and be healthier for it. May all enjoy the friendship involved as well as the physical well-being that results.
- Thursday** **CTiS&D: The changes in Clergy** recently bring losses & gains. To lose a spiritual mentor who has nurtured your soul is disturbing. But then to open up to someone with new ways & methods etc takes time to achieve. May our departing & newly inducted Clergy all be blessed !
- Friday** **Services – Cabbies**, there just when we need them and always with a polite & friendly approach. Thank God for each one & each safe journey; for their road skills & physical assistance. Keep your Hand on those who travel alone at night. May they walk with You. Thank You
- Saturday** **Prayer Breakfast** Ruth Ridge ruthridge@gmail.com Pray with them as they consider opening up Breakfast & Prayer for all churches. ‘Breks’ has brought links between churches that has had far reaching effects.
Town Pastors – still praying. May those fronting this outreach have such a clear leading from You that they can start up a new venture.

Let Him fill your heart...

- Sunday** **All Churches and especially Holy Trinity Long Melford** as they recover, re-arrange, renew ways of bringing Christ's love into the village. May they be brave enough to try new ways but keep hold of their loving presence in village life. May each plan greatly glorify You
- Monday** **Schools - Hillside Special School** where Your love can seep into the lives of these dear youngsters. May our prayers today cause that to happen - through each teacher, assistant, parent. Use every one Lord so all fears are stilled & joy can be released & understood by each one
- Tuesday** **Charities - Parkinsons** the struggles of a body that will not obey the mind must be consuming. Be close to those who suffer in this way & help them to rejoice in what they can do, not resent what they can't. Be the inspiration of every helper so that all their efforts are of value. May this org go on to greater strength, find funds & personnel to serve all.
- Wednesday** **Civic - Sudbury centre "alive"** What a difference the market car parking makes! May all the ideas & plans for this space benefit old & young alike as Council considers every possibility for improvement. Be in our lovely town and may its 'life' speak to all of Your Great Love.
- Thursday** **CTiS&D: CTS changes** may have taken place on 11th at AGM. May each office be a blessing to its holder. May You be 'free' to do a new thing in Sudbury bringing many more to the joy of knowing Your love. Bind 'Your Church' together Lord to our mutual blessing and joy.
- Friday** **Services - Shops** so many empty but ideas are flowing for the regeneration of smaller shops. May planners limit the eateries & lay stress on serving local shoppers, meeting their real day-to-day needs.
- Saturday** **Prayer Breakfast** Ruth Ridge ruthridge@gmail.com. Breks alive yet?
Town Pastors - still praying? Open the way for this again please.
