Spirit of the Living God, Fall afresh on me!

- Sunday** **All Churches and especially St Gregory's** as they ask for Holy Spirit 'Power' to touch every aspect of church life. May we all see very real answers to their prayers as You renew our faith and assure us of Your very presence in all our activities – prayer, reading, thinking, serving.
- Monday** **All Schools and especially Acton CofE** We hold our Schools up to You Lord. You who made each child, exactly as You planned. May nothing interfere with Your plans for each one. May children of this generation discover deep knowledge of just how much You love them.
- Tuesday** **Charities – Food Stores** Many are reaching out to their communities with practical help, especially food. Lord we ask that every 'gift' may be given and received with love, that needy folk may not feel demeaned and givers not appear superior. Be in all the giving and receiving Lord strengthening those who are struggling with life today.
- Wednesday** **Civic – The Quay** is a great blessing to our Town and area. Lord we ask that this may be a place of sharing, learning, experiencing thus deepening our own lives in a meaningful way. Bless those who work hard to help us enjoy life. Thank You for laughter and learning Lord.
- Thursday** **CTiS&D: Meditation Group Thurs 6 pm St Gregory's** Any time spent looking deeper into the things of God is blest. Be with each member so they bring understanding to each other along with a deeper love & knowledge of You, Father Son and Spirit. Guide their thinking please
- Friday** **Services – Any anti groups** So many people today are set in making their views not only heard but felt to the detriment of many innocent folk. Lord bring peace back to those who feel they must cause havoc and are regardless of the impacts. We lift each one to You for healing
- Saturday** **Prayer Breakfast 8 – 9.30 St Catherine's Long Melford** Join us for Breakfast Lord. May we know You sit with us, hearing our chat and our prayers. May every word and thought delight Your heart as well as bless each one of us. Thank you for, and bless, our hosts especially
