There is No greater Love than this!

- Sunday** **All Churches and especially St Mary's Glemsford** We ask You please Lord to be in every service, beside every worshipper, in every word spoken or sung. May all our clergy know Your inspiration having the wisdom to reach deep into our hearts. Bless all our worship too
- Monday** **All Schools and especially Gt Waldingfield CEVC** with a very real connection with the church, we pray that contact will seep into each child's mind & heart. May that seed stay strong and healthy and come to fruition in Your perfect timing achieving Your will for that young life
- Tuesday** **Charities - Aid Agencies** in wars and disasters are still manned by frail humans. Lord how they & we need You - in body, mind and spirit - in each of their lives. Bless them as they pour out their strength for those in such sore need. Thank You God for every single one of them.
- Wednesday** **Civic - Sudbury on Show** last month 'buzzed' with real interest and good humour. Thank You for those who planned, organised, set up & cleared up afterwards. Thank You too for Lord Phillips' original idea so many years ago, still bearing fruit and be of great value to Sudbury.
- Thursday** **CTiS&D: S-on-S leaflets** showing a list of churches in our area and all that is going on in Jesus' Name throughout each week! These will be of great value. Do be sure to get a batch of each for your church and spread the word "What we can't do alone, we can do together" Amen!
- Friday** **Services - Grounds workers** Don't moan about the pot holes! Look at the gardens, roundabouts, flower displays, etc all laid out and tended with loving care for us. Thank You Lord for all who dig, plant, feed & water and bring colour, life and real joy to all our travelling!
- Saturday** **Prayer Breakfast 8 - 9.30 at Holy Trinity Long Melford** Be sure of good company, warm friendship, simple but edible breakfast if you come. Then sit with us as we lay our cares before Our Caring God. If you want someone to pray specifically for you, please just tell us.

A warm welcome awaits you.
- Monday** **EASTER MONDAY** Lord You drew children to You when You walked the earth as a man. Please hold all our youngsters safe from anything that would harm them. Be in their learning, their fun, all their challenges and their achievements. Help them to know Your love
- Tuesday** **All Charities** - a vital part of life in its various forms. We thank You Lord for those among us who give us time, energy & skills with little return. May lasting friendships develop with each 'gift' and we all look with care on those more needy than ourselves. Bless each worker.
- Wednesday** **All Civic - Sudbury** is due to renew its **Fair Trade Town** status this year. May we each rise to this opportunity to ensure that others have the full benefit of all their hard work and be paid accordingly. Be at the centre of every meeting Lord and touch our hearts and our pockets!
- Thursday** **Churches Together World-wide:** Despite negative media coverage, the Church is still alive and thriving - struggling against tremendous odds but still alive. We pray that every Church will know the power and protection of the Holy Spirit allowing them to work together in love
- Friday** **All Services** - Even paid 'workers' can give more to their allotted tasks. So we thank You for every one whose work improves life for each of us. May we take time to show respect and give them thanks
- Saturday** **Prayer Breakfast 8 - 9.30 am at St Lawrence Great Waldingfield** we meet together for a light Breakfast and then pray, silently or aloud, sharing our joys and our concerns, both personal and for community.

- Wednesday** **Civic – Lord** we ask for a clear guidance regarding the centre of Sudbury. This will change the face of the Town but may we be open to those changes if it will develop trade and beautify. May Sudbury be a place worth visiting for more than its coffee shops. Bless our visitors
- Thursday** **CTiS&D: New Workers at Future Vision, No. 72 & Foxearth Meadows.** Thank You Lord for each one. As they plan, work & share Your love may each one also rely on Your Strength in every challenge. May Your Wisdom guide each decision make each of them a blessing.
