He is my fortress, I shall never be shaken Psalm 62:1-2

- Sunday** **All Churches and especially Bures Baptist** We ask again that our State and Free Churches might be revived by Your Spirit so as to once again be of value to our country. Bless all who lead, in whatever role, and use each in such a power-filled way that Your Name is Blessed.
- Monday** **All Schools and especially The Ryes** We bless You when we see our vulnerable youngsters respond to You and Your love. Write deep in their hearts Your messages so each child knows You are there for him or her no matter what their circumstances. Bless with Your touch
- Tuesday** **Charities – The Hive Community Hub** are hosting various music events to raise money for heating before winter including Shantyfolk & Chasin' Rainbows. May all their plans come to rich fruition and the enjoyment of all become an even greater blessing to the Community.
- Wednesday** **Civic – Nationally Councils** have changed following voting. May all who have served be sure that their labours were not in vain and may every new member look to You for guidance in future days. Thank You for our governing bodies Lord may all know it is You they serve.
- Thursday** **CTiS&D:** - Lord we specifically ask for a wider ministry spectrum for CTS. We are being pushed slightly aside, restricting our ministry in town. You have used CTS so powerfully and publicly in the past. May we ask again for openings & opportunities to Work Together for You.
- Friday** **Services – Fire Fighters** are often folk we take for granted even in life or death situations but what extreme courage they have even to sign up! May each one know You are close on every call and always there to turn to when things are too tough even for them. Bless each one.
- Saturday** **Prayer Breakfast 8 – 9.30 am venue Suffolk Road Church** With easy parking in North Street, warm fellowship, good food and friendly sharing, this is an ideal way to start the Weekend – close to God.

My soul finds rest in God alone;

- Sunday** **All Churches and especially All Saints Sudbury** Lord we ask for an outpouring of Your Holy Spirit on all our places of worship. May we be silent before the Wonder of Your Presence and overwhelmingly willing to put aside ourselves and 'wait' on You. Speak deeply into our souls
- Monday** **All Schools and especially Pot Kiln** All our children are under such destructive pressure from media to educational authorities. We ask for Your blessing on our parents, teachers, etc that all who have influence on young lives might first discern the outcomes of all their guidance
- Tuesday** **Charities – SEND in Suffolk** are fighting for assessments and plans for their needy children's schooling. We pray for the parents struggling on many fronts already. May the restrictions, plans, answers be moved forward. Bless all involved Lord, especially parents & children
- Wednesday** **Civic – General discord in local Council** was reported recently. Lord we pray for these folk who willing serve us and have our best interests at heart. May local and national bodies work together with every effort May harmony & understanding be at the forefront of all their meetings
- Thursday** **CTiS&D:** - We lay before You Lord, the leadership of our CTS and all who serve You in any way. May each one draw a new breath of Your Spirit and find themselves revived, refilled, revisited. May the personal life of each know an inspired newness of commitment and glorify You.
- Friday** **Services – Buses & Routes** locally recently reviewed & extended. Thank You Lord for this blessing on which so many rely. May all the financial needs be met and the friendships that grow out of journeys bless our whole community together with those running the Buses
- Saturday** **Prayer Breakfast 8 – 9.30 am venue 98 Melford Road Sudbury CO10 1JY** (hosted by Malcolm & Judith Offord) – All welcome – do join us as we pray for God's touch on Sudbury and District.

My salvation comes from Him.

- Sunday** **All Churches and especially Alpheton** Take from our souls the strain & stress of our pre-conceived ideas Lord and have full freedom to change everything within us into what You would have us be, so we are submerged as we worship You, Father Son & Holy Spirit, entirely
- Monday** **All Schools and especially St Gregory's** We pray especially for our Church schools as the state restrictions on them increase. May the power of Your love penetrate any hindrance and guide and strengthen the individual lives of every child, teacher, assistant and administrator.
- Tuesday** **Charities - Shelter Box** among many international disaster relief orgs where needs are constantly growing. As they 'tent' each family may Your Peace descend on all. Help them grow together in love & safety. Be with all who work tirelessly to alleviate the pain inflicted by others.
- Wednesday** **Civic - Our meadows** are hosting cattle again - such a lovely vista. Thank You for the beauty surrounding us and for every single person who gives time & effort in keeping it so. Bless those who gather on our meadows. May their fun time lift their hearts to Thank You for it all
- Thursday** **CTiS&D:** Whilst we strive to minister 'together', each church has its own prayers and plans. May every committee gathering be a holy place, recognised by all who attend, every objection not be solely personal and every decision having eternal issues bring glory to God.
- Friday** **Services - Farmers** "fighting back after drenching" headlines in local press. We have all moaned about the rain but their livelihoods depend on the weather. Thank God for each one of them, all their strength and expertise despite long hours and impossible odds. May they find delight in their efforts and real rewards in their harvests. Thanks to all
- Saturday** **Prayer Breakfast 8 - 9.30 am venue TBA** See Malcolm Snow's Church News

~ ~ ~ ~

He alone is my rock, and my salvation

- Sunday** **All Churches and especially Box River** From cathedral to mission hall, may the praise of Your People ring loud and clear within and outside each building. Give us a voice that is heard again Lord, most especially by those living without Your inestimable protection and love.
- Monday** **All Schools and especially St Joseph's** Lord the graphic effects on today's life is so obviously shaping our children. We ask Your Spirit please to curb this power enhancing truth and honesty. May each child know an opening of the mind, so discovering new dimensions.
- Tuesday** **Charities - Marie Curie** raised £2,227 in Sudbury recently. What a great blessing this Charity is to those who face cancer. May every penny bring help and comfort as they care, listen, nurse sufferers and families involved. Thank God asking for a deep blessing on each one
- Wednesday** **Civic - Encouraging Home Composting Babergh** recently hosted an awareness 'giveaway'. Whilst every effort to achieve a greener world is welcomed, it appears defeated by lack of road edge clearing etc defacing our lovely area and causing flooding. Guide the balance!
- Thursday** **CTiS&D:** We pray today for all the local 'groups' allied to CTS. From yep ministry to food banks to family guidance to deepening spiritual lives. May each group know the touch of Your Hand on their ministry, their finances, their leadership, their future plans. Bless them all Lord.
- Friday** **Services - Bomb Disposal** almost 80 years after WWII unexploded bombs can still be found in our land. Those who carry out a "controlled explosion" must have such knowledge of past eras as well as courage beyond the call of duty. May our very real thanks bless everyone involved and they be kept safe from any and every possible danger.
- Saturday** **Prayer Breakfast 8 - 9.30 am All Saints Church Hall** hosted by New Life Church. Sharing news and concerns together adds depth to our prayers and enlightens us to the needs of each other's churches.
